**Company Description**

The company is a joint venture involving principals all having extensive experience in real estate development & leasing. Primarily members include James Piaskowski, Bryant Prentice, Allan Dewart & Mary Powell.

**Project Description**

The project will consist of the construction of 20,000 sq. ft. facility to serve as a back office call center for the Online Education division of Bryant & Stratton College, Inc. The Online Education division is presently located in the College's Southtowns Campus building on an adjacent site at 200 Redtail, Orchard Park. The Online Education division has outgrown its present space and has determined that it needs its own larger facility to accommodate its rapid expansion.

The Online Education division of Bryant & Stratton College, Inc. will operate essentially as a back office call center, and, as such, there are no geographical limitations on where the facility can locate. In addition to its New York State locations in Buffalo, Rochester, Syracuse, and Albany, the College also has campuses in Virginia, Ohio, and Wisconsin. IDA participation is necessary to induce the company to maintain its Online Education division in Western New York. No on-site educational activities will occur on site.
