**NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:**

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company’s application and any other correspondence submitted by the Company to the Agency, public hearing comments, if any, Agency Policy Committee review and recommendations of the Project and its March 5, 2020 resolution to approve the project subject to the terms and conditions as described herein, and Agency board member review, discussion, and consideration of same, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and/or renovating and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing and/or retaining employment opportunities in Erie County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries, and, to the extent occupants are relocating from one plant or facility to another in another area of the State, the Agency has complied with the Intermunicipal Movement procedures as required in the Countywide Industrial Development Agency Uniform Tax Exemption Policy; and

(F) The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide Financial Assistance for the Project as described herein; and

(G) The Agency has prepared a written cost-benefit analysis identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

(H) The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions the Act.

(I) Marathon Roofing Products, Inc. (the "Sub-Tenant") will occupy the Facility. The Agency hereby approves the subleasing of space in the Project to the Sub-Tenant and authorizes the Company to proceed with the Project as herein authorized; and

(J) The Project involves an "Unlisted Action" as said term is defined pursuant to 6 N.Y.C.R.R. Section 617.2(ak) of the SEQRR regulations. The Agency has conducted an uncoordinated review of the Project pursuant to 6 N.Y.C.R.R. Section 617.6(b)(4)(i). Based

upon a comprehensive and thorough review by the Agency of the EAF and related documents delivered by the Company to the Agency, the criteria set forth in 6 N.Y.C.R.R. Section 617.7 of the SEQR regulations, and the additional representations made by the Company to the Agency in connection with the Project, the Agency: (i) hereby finds that the Project constitutes an "Unlisted Action" within the meaning of SEQR and a coordinated review is optional; (ii) the Agency has conducted an uncoordinated review of the Project under SEQR; (iii) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (iv) construction related impacts are short term and do not have a significant magnitude or effect; (v) the Project will not have a "significant effect on the environment" as such quoted term is defined in SEQR; and (vi) no "environmental impact statement" as such quoted term is defined in SEQR, need be prepared for this action. The Agency thus issues a "negative declaration" as that term is defined pursuant 6 N.Y.C.R.R. Section 617.2(y); and

(K) The Project qualifies for Agency Financial Assistance as it meets the Agency's evaluative criteria for manufacturing, warehouse, distribution projects, said criteria established by the Agency as required under General Municipal Law Section 859-a(5) as evidenced by the following:

(i) Wage Rates (above Median Wage for Area): Erie County median worker income: \$33,350; Company estimated average salary of jobs to be retained: \$55,182; Company estimated average salary of jobs to be created: \$40,000.

(ii) Regional Wealth Creation (% Sales/Customers Outside Area): Sales outside Erie County but within NYS: 10%; Sales outside NYS and within U.S.: 70%; Sales outside U.S.: 5%.

(iii) In Region Purchases (% of overall Purchases): Approximately 50-60% of total annual supplies, raw materials and vendors services are purchased from firms located within Erie County.

(iv) Research and Development Activities: Not applicable.

(v) Investments in Energy Efficiency: The Company will look to purchase items necessary for the addition that are most energy efficient.

(vi) Locational Land Use Factors, Brownfields or Locally Designated Development Areas: Not applicable.

(vii) LEED/Renewable Resources: Not applicable to this project.

(viii) Retention/Flight Risk: Not applicable.

Kulback's is acting as the general contractor and has a history of outreach to the women and minority business community as well as the Service Disabled Veteran owned community. This synergy aligns with Marathon Companies goals and helps further their commitment to the MBE/WBE community.

(x) Workforce Access – Proximity to Public Transportation: The Facility is on bus route #14 – Abbot.

Section 2. The Agency hereby authorizes the undertaking of the Project and the provision of the Financial Assistance to the Company as described herein.

Section 3. Subject to the Company executing an Agent Agreement and the delivery to the Agency of a binder, certificate or other evidence of insurance for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, construct and/or renovate and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the appointment of the Company as agent of the Agency, if utilized, shall expire one year from the date of this resolution (unless extended for good cause by the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer, and/or the Assistant Treasurer).

With respect to the foregoing, and based upon the representations and warranties made by the Company in its application for Financial Assistance, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an estimated amount up to \$400,000.00, which may result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed \$35,000.00. The Agency may consider any requests by the Company for increases to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Pursuant to Section 875(3) of the New York General Municipal Law, and per the policies of the Agency, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any New York State and local sales and use tax exemption benefits and/or partial abatements from real property taxes benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the New York State and local sales and use tax exemption benefits; (ii) the New York State and local sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the New York State and local sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; (iv) the Company has made a material false statement on its application for Financial Assistance; (v) the New York State and local sales and use tax exemption benefits and/or the partial abatement from real property taxes benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with the Investment Commitment, the Employment

Commitment, and/or the Local Labor Commitment, said commitments, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project; and/or (vi) the New York State and local sales and use tax exemption benefits and/or the partial abatement from real property taxes benefits are taken in cases where the Company fails to comply with the Equal Pay Commitment and/or the Unpaid Real Property Tax Policy Commitment, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project.

As a condition precedent of receiving Financial Assistance, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any Financial Assistance, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

As an additional condition precedent of receiving Financial Assistance, and as a material term or condition as approved by the Agency in connection with the Project, the Company covenants and agrees and understands that it must, subject to potential modification, termination and/or recapture of Financial Assistance for failure to meet and maintain the commitments and thresholds as described below, submit, on an annual basis or as otherwise indicated below through the termination of the Agent Agreement/PILOT Agreement, a certification, as so required by the Agency, confirming:

- (i) Investment Commitment – the total investment actually made with respect to the Project at the time of Project completion equals or exceeds \$616,250.00 (which represents the product of 85% multiplied by \$725,000.00, being the total project cost as stated in the Company’s application for Financial Assistance).
- (ii) Employment Commitment – that there are at least 15 existing full time equivalent (“FTE”) employees and 1 existing part time equivalent (“PTE”) employee located at, or to be located at, the Facility as stated in the Company’s application for Financial Assistance (the “Baseline FTE”); and
  - the number of current FTE employees in the then current year at the Facility; and
  - that the Company has maintained and created FTE employment at the Facility equal to 17 FTE employees and 1 PTE employee [the 17 FTE employees being calculated by taking the sum of the Baseline FTE of 15 FTE plus the product of 85% multiplied by 3 (being the 2 new FTE employee positions plus 1 new part-time equivalent (“PTE”) employees (with 2 PTE employees counting as 1 FTE employee) as proposed to be created by the Company as stated in the Company’s application for Financial Assistance)]. In an effort to confirm and verify the Company’s employment numbers, the Agency requires that, at a minimum, the Company provide employment data on a quarterly basis to the Agency, said information to be provided on the Agency’s “Quarterly Employment Survey” form to be made available to the Company by the Agency.

- (iii) Local Labor Commitment - that the Company adheres to and complies with the Agency's Local Labor Workforce Certification Policy on a quarterly basis during the construction period.
- (iv) Equal Pay Commitment – that the Company adheres to and complies with the Agency's Pay Equity Policy.
- (v) Unpaid Real Property Tax Policy Commitment – that the Company is compliant with the Agency's Unpaid Real Property Tax Policy.

Section 4. Subject to the terms of this Inducement Resolution, the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer and/or the Assistant Treasurer, are hereby authorized, on behalf of the Agency, to negotiate, execute and deliver (A) an Agent Agreement, (B) the Lease Agreement whereby the Company leases the Project to the Agency, (C) the related Leaseback Agreement whereby the Agency leases the Project back to the Company, and (D) the PILOT Agreement and (E) related documents; provided, however, that (i) the rental payments under the Leaseback Agreement to the Company include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy, or procedures for deviation have been complied with accordingly.

Section 5. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to negotiate, execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 6. The provision by the Agency of Financial Assistance with respect to the Project as described herein is subject to the execution and delivery of the Agency's Administrative Fee Agreement (the "Fee Agreement") and payment by the Company of an administrative fee calculated in accordance with the Fee Agreement, all within sixty (60) days of the date of this resolution. In the event the Agency has not received the executed Fee Agreement and the appropriate fee within such sixty (60) day period, this resolution shall become automatically null and void and of no further effect and the Agency shall have no liability to the Company hereunder or otherwise, unless extended in the discretion of the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer, or the Assistant Treasurer for good cause shown.

Section 7. This resolution shall take effect immediately, and shall expire one (1) year from the date hereof unless extended for good cause by the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer, or the Assistant Treasurer.
