WHEREAS, by Resolution adopted on September 22, 2021 (the “Resolution”), the Agency authorized the Company to act as its agent for the purposes of undertaking the Project subject to the Company entering into this Agent Agreement; and

WHEREAS, by its Resolution, the Agency has conferred on the Company in connection with the Project certain benefits, exemptions and other financial assistance consisting of: (a) an exemption benefit from all New York State and local sales and use tax exemption benefits for purchases and rentals related to the Project with respect to the qualifying personal property included in or incorporated into the Facility or used in the acquisition, construction or equipping of the Facility, (b) an exemption benefit from mortgage recording tax, and (c) a partial abatement from real property taxes benefit through a (#) year “payment in lieu of tax agreement” (the “PILOT Agreement”) with the Company for the benefit of each municipality and school district having taxing jurisdiction over the Project, (collectively, the sales and use tax exemption benefit, the mortgage recording tax benefit, and the partial abatement from real property taxes benefit, are hereinafter collectively referred to as the “Financial Assistance”); and

WHEREAS, the Agency requires, as a condition and as an inducement for it to provide said Financial Assistance, that the Company provides assurances with respect to the recapture of said Financial Assistance on the terms herein set forth; and

WHEREAS, this Agent Agreement sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; and

WHEREAS, no agent status in favor of the Company or any subagent thereof, nor any amount of Financial Assistance shall be provided to the Company by the Agency prior to the effective date of this Agent Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

1. Purpose of Project and Scope of Agency. The purpose of the Agency's provision of Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Project to advance job opportunities, health, general prosperity and economic welfare of the people of Erie County, and to specifically promote the investment commitment, local labor commitment, and the unpaid real property tax policy commitment all as contained herein and within the Company's Application.

Pursuant to the Resolution, the Agency has appointed the Company as agent to undertake the Project, as defined herein and within the Resolution. The Company hereby agrees to limit its activities as agent for the Agency under the authority of the Resolution to acts reasonably related to the acquisition and installation of certain machinery, equipment and building materials, all for incorporation and installation thereof in and around the Facility. Pursuant to the Resolution and this Agent Agreement, the Company has the power to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses including but not limited to the individuals and entities described on Schedule A attached hereto (collectively, the "Subagent"). The Company shall have the right to amend Schedule A from time to time and shall be responsible for maintaining an accurate list of all parties acting as agent for the Agency. The Company's right to appoint subagents is expressly conditioned upon updating of Schedule A, hereto, along with the timely filing of Form ST-60 (non-primary) for each subagent. The right of the Company and all duly appointed subagents to act as agent of the Agency shall expire on **August 1, 2022**, unless extended as contemplated by the Resolution. The aggregate amount of work performed by the Company and all subagents as agent for the Agency shall not exceed the amounts identified in the Resolution and Section 2(h) of this Agent Agreement.

All contracts entered into by the Company and all subagents thereof as agent for the Agency shall include the language contained within Schedule B, hereto. Failure by the Company and/or any subagent thereof to include such language shall disqualify the agent status and sales tax exemptions derived by virtue of this Agent Agreement. The Company, for itself and on behalf of all duly appointed subagents, hereby agrees that all contracts entered into by the

Company and any subagents thereof shall be available to the Agency for inspection and confirmation of the foregoing mandatory language.

2. Representations and Covenants of the Company. The Company makes the following representations and covenants in order to induce the Agency to proceed with the Project/Facility:

(a) The Company is a limited liability company formed, validly existing and in good standing under the laws of the State of New York, has the authority to enter into this Agent Agreement, and has duly authorized the execution and delivery of this Agent Agreement.

(b) Neither the execution and delivery of this Agent Agreement, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of this Agent Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any such instrument or agreement.

(c) The Facility and the operation thereof will conform with all applicable zoning, planning, and building laws and regulations of governmental authorities having jurisdiction over the Facility, and the Company shall defend, indemnify and hold the Agency harmless from any liability or expenses resulting from any failure by the Company to comply with the provisions of this subsection (c).

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact on the Company's ability to fulfill its obligations under this Agent Agreement.

(e) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations, and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) that the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated, or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section shall immediately notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors, and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties, and expenses (including reasonable attorneys' fees) related in

any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Agency upon demand.

(f) Any personal property acquired by the Company in the name of the Agency shall be located in the Town of Marilla, New York, except for temporary periods during ordinary use.

(g) In accordance with Section 874 and 875 of the New York General Municipal Law, the policies of the Agency, and the Resolution, the Company covenants and agrees that it may be subject to a Recapture Event Determination (as hereinafter defined) resulting in the potential modification, recapture and/or termination of any and all Financial Assistance, as described herein, if the Company receives, or any duly appointed subagents receives any Financial Assistance from the Agency, and it is determined by the Agency, or Agency staff, as appropriate, that:

(1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(2) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its Subagents, if any; or

(3) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(4) the Company has made a material false or misleading statement, or omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance; or

(5) the Company fails to meet and maintain the thresholds and requirements representing certain material terms and conditions required by the Agency to be complied with and adhered to, as evidenced by submission, as so required by the Agency, of a written certification submitted on an annual basis beginning in the first year in which Financial Assistance is so claimed, through the termination of the PILOT Agreement (said time period so referenced being hereinafter defined as the "Material Terms and Conditions Monitoring Period") confirming:

(a) Investment Commitment- the total investment actually made with respect to the Project at the time of Project completion equals or exceeds \$5,430,942 (which represents the product of 85% multiplied by \$6,389,343, being the total project cost as stated in the Company's application for Financial Assistance).

(b) Local Labor Commitment - that the Company adheres to and complies with the Agency's Local Labor Workforce Certification Policy on a quarterly basis during the construction period.

(c) Unpaid Real Property Tax Policy Commitment - that the Company is compliant with the Agency's Unpaid Real Property Tax Policy.

The findings made by the Agency, or Agency staff, as appropriate, with respect to Section 2(g)(1), (2), (3) and/or (4) and/or failure to provide the written confirmation as required by Section 2(g)(5) with respect to the thresholds and requirements as identified in Section 2(g)(5), above, and/or failure to meet the thresholds and requirements as identified in Section 2(g)(5) above, may potentially be determined by the Agency, in accordance with the Agency's "Policy for Termination and/or Modification of Agency Financial Assistance and Recapture of Agency Financial Assistance Previously Granted", or by Agency Staff, as appropriate, to constitute a failure to comply with Section 875(3) of the New York General Municipal Law, and/or a failure to comply with a material term or condition to use property or services or Agency Financial Assistance in the manner approved by the Agency in connection with the Project, and/or a failure to comply with the Agency's policies and Resolution (collectively, findings and determinations made as described herein with respect to Section 2(g)(1), (2), (3) and/or (4) and/or the failure under Section 2(g)(5) to submit the required certification and/or the failure to meet the required thresholds and requirements as specified in Section 2(g)(5) are hereby defined as a "Recapture Event Determination"). If the Agency makes a Recapture Event Determination, or notwithstanding anything contained herein to the contrary, Agency staff makes a finding with respect to Section 2(g)(1), (2), or (3) above, and/or Agency staff determines that the Company has closed the Project or has failed to operate the Project as contemplated by the Application and the Resolution, then the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any and all Financial Assistance obtained by the Company and (ii) promptly pay over any such amounts to the Agency that the Agency demands in connection therewith. The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner and/or Erie County Comptroller may assess and determine the Financial Assistance due from the Company, together with any relevant penalties and interest due on such amounts.

(h) In accordance with the Resolution, the Application, and the cost-benefit analysis, the Company further:

- (i) covenants that the purchase of goods and services relating to the Project and subject to New York State and local sales and use taxes shall be in an amount estimated up to \$1,996,271, and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency, subject to Section 2(g) of this Agent Agreement, cannot exceed \$174,674;
- (ii) covenants that the value of the mortgage recording tax exemption benefit shall not exceed \$32,332; and
- (iii) confirms that real property tax abatement benefits to be provided are estimated to be approximately \$389,527 resulting in estimated total PILOT payments of \$648,614 over the term of the PILOT Agreement. See fully executed PILOT Agreement attached hereto within Exhibit G.

(i) The Company acknowledges and understands that a Recapture Event Determination made with respect to Section 2(g)(4) of this Agent Agreement will, in addition, immediately result in the loss and forfeiture of the Company's right and ability to obtain any and all future Financial Assistance with respect to the Project.

(j) The Company further covenants and agrees to complete "IDA Appointment of Project Operator or Agent For Sales Tax Purposes" (NYS Form ST-60), in the form attached hereto as Exhibit A, for each Subagent, if any, and such other parties as the Company chooses who provide materials, equipment, supplies or services and forward said form to the State Department of Taxation and Finance within thirty (30) days of appointment.

(k) The Company acknowledges and agrees that all purchases made in furtherance of the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate" (NYS Form ST-123, a copy of which is attached hereto as Exhibits B-1 and B-2), and it shall be the responsibility of the Company (and not the Agency) to complete NYS Form ST-123. The Company acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill or invoice should state, "I, [NAME OF COMPANY OR SUBAGENT], certify that I am a duly appointed agent of the ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY and that I am purchasing the tangible personal property or services for use in the RPNY SOLAR 2, LLC Project located at 11061 Bullis Road in the Town of Marilla, Erie County, New York, IDA Project Number "1404-21-23A". For convenience purposes, in the instance where the vendor does not print on each invoice the acknowledgment as described in the prior sentence, an "Invoice Rider" (a copy of which is attached hereto as Exhibit B-3) can be utilized for record keeping purposes.

(l) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340, a copy of which is attached hereto as Exhibit C) regarding the value of sales and use tax exemptions the Company and its Subagents, if any, have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with General Municipal Law Section 874(8). The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of same to the Agency; provided, however, in no event later than February 15th of each year. The Company understands and agrees that the failure to file such annual statement will result in the removal of the Company's authority to act as agent for the Agency.

(m) The Company further covenants and agrees to submit to the Agency a Local Labor Utilization Report, which is attached hereto as Exhibit D, on a quarterly basis within ten (10) business days of each quarter end during the construction period. This report represents verification that the Company and its Subagents, if any, adheres to and undertakes or has undertaken construction activities in compliance with the Agency's Local Labor Workforce Certification Policy and Local Labor Reporting Requirements.

(n) The Company acknowledges and agrees that, except to the extent of bond proceeds (to the extent bonds are issued by the Agency with respect to the Project), the Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

(o) The Company covenants and agrees that at all times during the Material Terms and Conditions Monitoring Period, it will (i) maintain its existence, continue to operate the Project as contemplated by the Application and the Resolution and not dissolve, (ii) continue to be a limited liability company subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business in the State, (iii) not liquidate, wind-up or dissolve or otherwise sell, assign, or dispose of all or substantially all of its property, business or assets except this Agent Agreement may be assigned to a Related Person of the Company (as that term is defined in subparagraph (C) of paragraph three of subsection (b) of section four hundred sixty-five of the Internal Revenue Code of 1986, as amended, hereinafter "Related Person") without the receipt of the Agency's prior written consent and provided such assignee/successor entity shall reaffirm the Company's obligation's hereunder, and (iv) not consolidate with or merge into another entity or permit one or more entities to consolidate with or merge into it except upon receipt of the Agency's prior written consent and unless such merged or combined entity shall reaffirm the Company's obligation's hereunder. Granting or withholding of the Agency's consent shall be in the sole discretion of the Agency. A transfer in excess of 50% of the equity voting interests of the Company, other than to a Related Person of the Company, shall be deemed an assignment and require the prior written consent of the Agency.

(p) The Company confirms and acknowledges under the penalty of perjury that as of the date hereof, the Company, as owner, occupant, or operator of the Project receiving Financial Assistance from the Agency in connection with the Project, is in substantial compliance with all applicable local, state and federal tax, worker protection and environmental laws, rules and regulations. The Company further agrees that it will, throughout the term of this Agent Agreement, promptly comply in all material respects with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements of all federal, state, county, municipal and other governments, departments, commissions, boards, companies or associations insuring the premises, courts, authorities, officials and officers, foreseen or unforeseen, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof, or to any use, manner of use or condition of the Facility or any part thereof. Notwithstanding the foregoing, the Company may in good faith contest the validity of the applicability of any requirement of the nature referred to this Section 2(p). In such event, the Company, with the prior written consent of the Agency (which shall not be unreasonably conditioned, delayed or withheld) may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency shall notify the Company that it must comply with such requirement or requirements.

3. Hold Harmless Provision. The Company hereby releases the Agency from, agrees that the Agency shall not be liable for, and agrees to indemnify, defend and hold the

Agency and its directors, members, officers, employees, agents (except the Company), representatives, successors and assigns harmless from and against, any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence on, in or about the Facility or breach by the Company of this Agent Agreement or (ii) liability arising from or expense incurred by the Agency's financing, acquiring, constructing, rehabilitating, renovating, equipping, owning and leasing of the Equipment or of the Facility, including without limiting the generality of the foregoing, all causes of action and reasonable attorneys' fees and any other expenses incurred in defending any suits or actions which may arise as a result of any of the foregoing. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its respective directors, members, officers, employees, agents (except the Company), representatives, successors and assigns and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability, except that such indemnities will not be applicable with respect to willful misconduct on the part of the Agency or any other person or entity to be indemnified. In the event of any claim against the Agency or its directors, members, officers, employees, agents (except the Company), representatives, successors and assigns by any employee of the Company or any contractor of the Company or anyone directly or indirectly employed by any of them or any one for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Company or such contractor under Worker's Compensation acts, disability benefits or other employee benefit acts. Any other provisions of this Agent Agreement to the contrary notwithstanding, the obligations of the Company shall remain in full force and effect after the termination of this Agent Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses and charges incurred by the Agency, or its directors, members, officers, employees, agents (except the Company), representatives, successors and assigns, relating thereto.

Instructions

When to file

An IDA must file this form within 30 days of the date they appoint any project operator or other person as agent of the IDA, for purposes of extending any sales and use tax exemptions.

Requirements to file

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA should not file this form if they do not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, they must, within 30 days of the change, file a new form with the new information.

If the information on this form changes

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA, within 30 days, must send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. They must attach to the letter a copy of the form it originally filed. The IDA should not send a letter for a form that is not valid merely because the *Completion date of project* has passed.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You must identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Instructions

General information

Who must file

The General Municipal Law (GML) and the Public Authorities Law require the agent/project operator (also known as the *project occupant*) of an Industrial Development Agency or Authority (IDA) to file an annual report with the Tax Department. The agent/project operator required to file this report is the person **directly** appointed by the IDA to act for and to represent the IDA for the project. The agent/project operator is ordinarily the one for whom the IDA project was created.

There is usually only one agent/project operator directly appointed by the IDA for an IDA project. However, if the IDA directly appoints multiple agents/project operators, each agent/project operator must file this form (unless they are related corporations).

Only the agent/project operators directly appointed by the IDA must file Form ST-340. Contractors, subcontractors, consultants, or agents appointed by the agent/project operators should **not** themselves file Form ST-340. However, the agent/project operators must include on Form ST-340 information obtained from such contractors, subcontractors, consultants, and agents, as described below.

What you must report

The report must show the **total value** of all state and local **sales and use taxes exempted** during the calendar year, as a result of the project's designation as an IDA project. This includes:

- the value of the exemptions the agent/project operator (you) obtained; and
- the value of the exemptions obtained by your contractors, subcontractors, consultants, and others, whether or not appointed as agents of the IDA.

Include only the **total combined** exemptions obtained by the above people. A breakdown of the total is not required. However, since the report must include the value of the exemptions they obtained, you must keep records of the amounts others report to you.

You must make it clear to the contractors, subcontractors, consultants, and others that they must keep accurate tax information and have it available, so that you can comply with the annual reporting requirements.

Do not include on this report the amount of any sales and use tax exemptions from other provisions of the Tax Law (for example, manufacturer's production equipment exemption, research and development exemption, or contractor's exemption for tangible personal property incorporated into a project of an exempt organization).

When the report is due

You must file Form ST-340 on a calendar-year basis. It is due by the last day of February of the following year. The reporting requirement applies to IDA projects started on or after July 21, 1993.

Project information

At the top of the form, identify the reporting period by entering the year in the space provided. If an address is required, always include the ZIP code.

Name of IDA agent/project operator: Enter your name, address, employer identification number (EIN), and telephone number.

Name of IDA and IDA project number: Enter the name and address of the IDA. If more than one IDA is involved in a particular project, you must file a separate report for the tax exemptions attributable to each IDA. Also enter the ID project number.

Name of project: Enter the name of the project and the address of the project site. If you are involved in more than one project, you

must file a separate report for each project, even if authorized by the same IDA.

Date project began: Enter the date the project started (this means the earliest of the date of any bond or inducement resolution, the execution of any lease, or any bond issuance). Include month, day, and year.

Completion date of project: Enter the date installation, lease, or rental of property (for example, machinery or computers) on the project ended, or the date the project is expected to be completed. Mark an **X** in the appropriate box to indicate if the date entered is actual or expected.

Total sales and use tax exemptions: Enter the total amount of New York State and local sales and use taxes exempted during the reporting period as a result of the project's receipt of IDA financial assistance (*if none, enter 0*). This includes exemptions obtained at the time of purchase, as well as through a refund or credit of tax paid. Include the sales and use taxes exempted on purchases of property or services incorporated into or used on the exempt project. This includes the taxes exempted on purchases made by or on behalf of the agent/project operator, the general contractor for the project, and any subcontractors, consultants, or others. Do **not** enter total purchases.

Representative information

If applicable, enter the name, address, title (for example, attorney or accountant), and telephone number of the individual you authorize to submit this report. This section is not required.

Certification

Enter the name and title of the person signing on your behalf (for example, the IDA agent/project operator's officer, employee, or other authorized representative). Your officer, employee, or authorized representative must sign and date the report.

Mail completed report to:

PAYMENT IN LIEU OF TAX AGREEMENT

THIS PAYMENT IN LIEU OF TAX AGREEMENT (the "Agreement"), dated as of November 1, 2021, by and between **ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation duly existing under the laws of the State of New York with offices located at 95 Perry Street, Suite 403, Buffalo, New York 14203 (the "Agency"), and **RPNY SOLAR 2, LLC**, a limited liability company formed, validly existing and in good standing under the laws of the State of New York, with offices at 897 Sanchez Street, San Francisco, California 94114 (the "Company").

WITNESSETH:

WHEREAS, the Agency was created by Chapter 293 of the Laws of 1970 of the State of New York pursuant to Title I of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York; and

WHEREAS, the Company has submitted an application to the Agency (the "Application") requesting the Agency's assistance with a certain project (the "Project") consisting of: (i) the planning, design, construction, and operation of a 4.5 MW solar electrical generation system, including panel foundations, inverters, transformers, interconnect wiring, utility connections, sitework, landscaping, fencing, security and related improvements (collectively, the "Improvements") and acquisition thereof by the Agency of a leasehold interest in the Improvements located at 11061 Bullis Road in the Town of Marilla, New York, said Improvements being more particularly described as 139.00-12-14.00/solar, and (ii) the acquisition of and installation in and around the Improvements by the Company of machinery, equipment, fixtures and other items of tangible personal property (the "Equipment" and, collectively with, the Improvements, the "Facility"); and

WHEREAS, commensurate with the Company's submission of the Application to the Agency, the Company has requested the Agency's consideration of a deviation from the Agency's Uniform Tax Exemption Policy to allow for a payment-in-lieu-of-tax ("PILOT") agreement to utilize a per-MW payment structure and provide twenty-five (25) years of real property tax abatement for the Improvements (the "PILOT Deviation"), the terms of such PILOT Deviation having been negotiated by the Agency and Company; and

WHEREAS, on September 22, 2021, the Agency approved of the PILOT Deviation and resolved to provide a fixed annual PILOT payment of \$4,500 per megawatt (MW) with respect to the Facility's 4.5 MW nameplate capacity for a term of up to twenty five (25) years, increasing annually by two percent (2%); and

WHEREAS, in order to induce the Company to acquire, renovate, construct and equip the Facility, the Agency is willing to take a leasehold interest in the Facility pursuant to the terms and conditions of a certain Lease Agreement to be dated on or about the date hereof (the "Lease Agreement") and lease the Facility back to the Company pursuant to the terms and conditions of

a certain Leaseback Agreement to be dated on or about the date hereof (the "Leaseback Agreement"); and

WHEREAS, pursuant to Section 874(1) of the Act, the Agency is exempt from the payment of taxes imposed upon real property and improvements owned by it or under its jurisdiction, control or supervision, other than special ad valorem levies, special assessments and service charges against real property which are or may be imposed for special improvements or special district improvements; and

WHEREAS, the Agency and the Company deem it necessary and proper to enter into an agreement making provisions for payments in lieu of taxes by the Company to the Agency for the benefit of Erie County (the "County"), the Town of Marilla (the "Town"), and Iroquois Central School District (hereinafter the "School District" or "School", and together with the County and Town, the "Affected Tax Jurisdictions"); and

WHEREAS, the Company and the Town have entered into a certain Host Community Benefit Agreement, dated as of May 27, 2021, whereby the Company has agreed to make a certain Host Community Benefit Fee payment to the Town as described therein.

NOW, THEREFORE, in consideration of the covenants herein contained, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

Section 1. Payment In Lieu of Ad Valorem Taxes.

Section 1.1 A. Subject to the completion and filing by the taxable status date (March 1, 2022) (the "Taxable Status Date") of New York State Form RP-412-a Application For Real Property Tax Exemption (the "Exemption Application") under Section 412-a of the New York State Real Property Tax Law ("RPTL") and Section 874 of the Act, the Facility shall be exempt from Real Estate Taxes commencing with the 2023 County tax year, the 2023 Town tax year, and the 2022/2023 School tax year.

For purposes of the foregoing, "Real Estate Taxes" means all general levy real estate taxes levied against the Facility by the County, Town and School. The Company shall provide to the Agency the information necessary for the completion and filing of the Exemption Application and shall provide such additional information and take such actions as are required by the appropriate assessors to process the Exemption Application. Notwithstanding anything contained herein or in the Lease Agreement and/or Leaseback Agreement to the contrary, in the event the exemption from Real Estate Taxes is denied for any valid, legal reason, the Company shall pay (and hereby agrees to pay) all Real Estate Taxes levied upon the Facility as they become due. After giving written notice to the Agency, the Company may, in good faith, contest the denial of the Exemption Application, provided that (i) the overall operating efficiency of the Facility is not impaired by such contest and the Facility continues to qualify as a "project" under the Act; (ii) neither the Facility nor any part of or interest in it would be in any danger of being sold, forfeited or lost as a result of such contest; or (iii) neither the Company nor the Agency, as a result of such contest, shall be in any danger of any civil or criminal liability. The Company

hereby waives any claim or cause of action against the Agency, and releases the Agency from any liability to the Company, arising from the denial of an exemption from Real Estate Taxes except to the extent that such denial results solely from the failure of the Agency to timely file the Exemption Application with the appropriate assessors by the Taxable Status Date.

Until the commencement of the tax fiscal years set forth above, the Company shall continue to pay all taxes due as if the Agency did not have an interest in the Project. As set forth below, the total payments in lieu of taxes required under this Agreement are allocated among the Affected Tax Jurisdictions in proportion to the amount of real property tax and other taxes which would have been received by each Affected Tax Jurisdiction had the Project not been tax exempt due to the status of the Agency.

B. Payee. As long as the Facility is leased by the Company to the Agency, or under the Agency's jurisdiction, control or supervision, the Company agrees to pay annually to the Agency as a payment in lieu of taxes, on or before February 15 of each year beginning February 15, 2023, and thereafter February 15 of each year during the term hereof (collectively, the "Payment Date") for School, County and Town Taxes, respectively, an amount equal to the Total PILOT Payment as described as described in Schedule A attached hereto and as further described therein. The Agency shall send a bill (or cause a bill to be sent) to the Company for each Total PILOT Payment, on or before February 1 of each PILOT Year. The failure of the Agency to invoice or bill for any amounts due shall in no way relieve the Company from its obligations hereunder. The parties agree and acknowledge that payments made hereunder are to obtain revenues for public purposes, and to provide a revenue source that the Affected Tax Jurisdictions would otherwise lose because the subject parcels are not on the tax rolls.

Section 1.2 Allocation. The Agency shall remit to the Affected Tax Jurisdictions amounts received hereunder, if any, within thirty (30) days after receipt of said payment and shall allocate said payments among the Affected Tax Jurisdictions in the same proportion as ad valorem taxes would have been allocated but for the Agency's involvement, unless the Affected Tax Jurisdictions have consented in writing to a specific allocation.

Section 1.3 Tax Rates. For purposes of determining the allocation of the Total PILOT Payment among the Affected Tax Jurisdictions, the Agency shall use the last tax rate utilized for levy of taxes by each such jurisdiction. For County and Town and/or any special district purposes, the tax rates used to determine the allocation of the Total PILOT Payment shall be the tax rates relating to the calendar year which includes the PILOT payment due date. For School District purposes, the tax rates used to determine the PILOT payment shall be the rate relating to the school year which includes the PILOT payment due date.

Section 1.4 Valuation of Future Additions to the Facility.

A. The PILOT Payments provided for in this PILOT Agreement shall not increase or decrease based on (i) the construction cost of the Facility, (ii) any modifications, repairs, additions or deletions thereto, (iii) any modification of the real property interests comprising the Facility, or (iv) for any other reason, so long as there is no additional MW nameplate capacity added to the Facility above 4.5 MWs (any such improvement which increase

the nameplate capacity of the Project above 4.5 MWs, together with any associated real property interests, roadways, equipment, transmission facilities, substations, or other improvements shall be collectively referred to as, the "Additional MW Facilities").

B. If there shall be a future addition to the Facility constructed or added in any manner after the date of this PILOT Agreement which constitutes Additional MW Facilities, the Company shall notify the Agency of such addition. The notice to the Agency shall contain a copy of the application for a building permit, plans and specifications, and any other relevant information that the Agency may thereafter request. Beginning with the PILOT Years after the Town's Taxable Status Date after the commercial operation date of any such Additional MW Facilities, the Company shall become liable for payment of an increase in the Total PILOT Payment. The Agency shall notify the Company of any proposed increase in the Total PILOT Payment related to such Additional MW Facilities based on the Town's assessed value of such Additional MW Facilities. If the Company shall disagree with the determination of assessed value for any Additional MW Facilities made by the Town, then, and in that event, said valuation shall be fixed by a court of competent jurisdiction. Notwithstanding any disagreement between the Company and the Agency, the Company shall pay the increased PILOT Payment related to the Additional MW Facilities until a different PILOT Payment related to the Additional MW Facilities shall be established. If a lesser PILOT Payment is determined in any proceeding or by subsequent agreement of the parties, the Total PILOT Payment shall be recalculated and any excess payment (plus interest thereon as though such excess constituted a refund of Real Estate Taxes under RPTL Section 726), if any, shall be applied as a credit against the next succeeding Total PILOT Payment.

Section 1.5 Period of Benefits. The tax benefits provided for herein should be deemed to include (i) the 2022/2023 School tax year through the 2046/2047 School tax year, (ii) the 2023 Town tax year through the 2047 Town tax year, and (iii) the 2023 County tax year through the 2047 County tax year. This Agreement shall expire on December 31, 2047; provided, however, the Company shall pay the 2047/2048 School tax bills, 2048 Town tax bills, and 2048 County tax bill on the dates and in the amounts as if the Agency did not hold an interest in the Facility on the tax status date with respect to such tax years. In no event shall the Company be entitled to receive tax benefits relative to the Facility for more than the periods provided for herein, unless the period is extended by amendment to this Agreement executed by both parties after any applicable public hearings.

Section 2. Special District Charges, Special Assessments and other charges.

Section 2.1 All lawfully levied and/or assessed special improvement district charges, special district charges, special assessments, and special ad valorem levies (specifically including but not limited to fire district charges), and pure water or water sewer charges are to be paid in full in accordance with normal billing practices.

Section 3. Transfer of Facility.

Section 3.1 In the event that the Agency's interests in the Facility are transferred from the Agency to the Company (the Lease Agreement and Leaseback Agreement are terminated)

(the "Transfer") and the Company is ineligible for a continued tax exemption under some other tax incentive or exemption program, or if the exemption available under such other incentive program results in an amount due to the Affected Tax Jurisdictions in excess of the payment described in Section 1 hereof, the Company agrees to pay to each of the Affected Tax Jurisdictions within thirty (30) days (plus any applicable grace period) after receipt of a valid invoice or bill, an amount equal to the difference between the amount due under Section 1 hereof and the taxes and assessments due in accordance with RPTL Sections 302 and 520 or other applicable law. If the Company is eligible for a continued tax exemption under another tax incentive or exemption program, the amount of the Company's payment shall be reduced by the amount of exemption under such program.

Section 4. Assessment Challenges.

Section 4.1 The Company shall have all of the rights and remedies of a taxpayer as if and to the same extent as if the Company had not entered into the Lease Agreement and the Leaseback Agreement, with respect to any proposed assessment or change in assessment with respect to the Facility by any of the Affected Tax Jurisdictions and likewise shall be entitled to protest before, and be heard by, the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any tax equivalent provided for herein.

Section 4.2 The Company shall have all of the rights and remedies of a taxpayer with respect to any tax, service charge, special ad valorem levy, assessment, or special assessment or service charge in lieu of which the Company is obligated to make a payment pursuant to this PILOT Agreement, as if, and to the same extent as if, the Company had not entered into the Lease Agreement and the Leaseback Agreement.

Section 4.3 In the event that any real estate tax assessment office or tax levy officer fails to assess the Facility or apply tax rates to such assessments, the Company shall provide notice following discovery of such failure to the appropriate real estate tax assessment office and tax levy officers to assess the Facility and apply special district tax rates to the respective assessments and request that such offices properly assess Facility or applicable portions thereof.

Section 5. Changes in Law.

Section 5.1 To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

Section 6. Effect of Fulfillment of the Requirement and Clawback.

Section 6.1 Once having paid the amounts required by this Agreement, the Company shall not be required to pay any real estate taxes for which payments in lieu of taxes have been made. Notwithstanding the foregoing, in the event that the Agency shall reasonably determine (i) that the Company has submitted an application, or documentation in support of an application,

which contained a false or intentionally misleading statement as to any fact which is material to the Company's application for benefits or which omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, and (ii) that such false or misleading statement or omission was made knowingly and intentionally for the purpose of obtaining financial assistance, then the Company shall forfeit any future tax exemptions or abatements and shall be required to pay to the appropriate taxing authority the amount of any real property exemptions received. The amount of benefits recaptured shall be the difference between the amount of payment in lieu of taxes paid and the amount that would have been paid in real estate taxes if the Agency did not have an interest in the Project.

Section 6.2 Notwithstanding anything contained within the Agreement to the contrary, the Agency and the Company have entered into that certain Agent and Financial Assistance Project Agreement, dated as of October 1, 2020 (the "Agent Agreement"), pursuant to which the Agency has the right to terminate, recapture, and/or modify the Company's real property tax exemption benefits, as identified herein, upon the terms and conditions set forth in the Agent Agreement. The Company covenants and agrees that, if at any time, it fails to maintain its covenants and/or the terms and conditions as set forth in the Agent Agreement so as to effect a Recapture Event Determination as described within the Agent Agreement, then the Company may be subject to immediate termination or modification of this Agreement and/or be required to pay to the Agency an amount equal to any or all of real property tax exemption benefits as prescribed by the terms and conditions of the Agent Agreement.

Section 7. Events of Default.

Section 7.1 The following shall constitute "Events of Default" hereunder. The failure by the Company to: (i) make the payments described in Section I hereof within thirty (30) days after the Payment Date (the "Delinquency Date") and failure to pay same within ten (10) days after receipt of notice of said delinquency; (ii) make any other payments described herein on or before the last day of any applicable cure period within which said payment can be made without penalty; and failure to pay same within the (10) days after receipt of notice of said delinquency; and/or (iii) cure any occurrence and/or continuance of any events of default under the Lease Agreement and/or the Leaseback Agreement after any applicable cure periods. Upon the occurrence of any Event of Default hereunder, in addition to any other right or remedy the Agency and/or the Affected Tax Jurisdictions may have at law or in equity, the Agency and/or Affected Tax Jurisdictions may, immediately and without further notice to the Company (but with notice to the Agency with respect to actions maintained by the Affected Tax Jurisdictions) pursue any action in the courts to enforce payment or to otherwise recover directly from the Company any amounts so in default. The Agency and the Company hereby acknowledge the right of the Affected Tax Jurisdictions to recover directly from the Company any amounts so in default pursuant to Section 874(6) of the General Municipal Law and the Company shall immediately notify the Agency of any action brought, or other measure taken, by any Affected Tax Jurisdiction to recover any such amount.

Section 7.2 If payments pursuant to Section I herein are not made by the Delinquency Dates, or if any other payment required to be made hereunder is not made by the last day of any

applicable cure period within which said payment can be made without penalty, the Company shall pay penalties and interest as follows: (A) with respect to payments to be made pursuant to Section 1 hereof, if said payment is not received by the Delinquency Date defined in Section 7.1 above, the Company shall pay, in addition to said payment, (i) a late payment penalty equal to five percent (5.00%) of the amount due, and (ii) for each month, or any part thereof, that any such payment is delinquent beyond the first month, interest shall accrue and be paid on the total amount due plus a late payment penalty in an amount equal to one percent (1%) per month until the payment is made; and (B) with respect to all other payments due hereunder, if said payment is not paid within any applicable cure period, the Company shall pay, in addition to said payment, the applicable penalties and interest which would have been incurred had payments made hereunder been tax payments to the Affected Tax Jurisdictions.

Section 8. Survival of the Company's Obligations.

Section 8.1 The obligations of the Company under this Agreement shall survive the termination or expiration of the Leaseback Agreement, for whatever reason terminated or expired.

Section 9. Assignment.

Section 9.1 No portion of any interest in this Agreement may be assigned by the Company, nor shall any person other than the Company be entitled to succeed to or otherwise obtain any benefits of the Company hereunder without the prior written consent of the Agency, which shall not be unreasonably withheld or delayed.

Section 10. Miscellaneous.

Section 10.1 Counterparts. This Agreement may be executed in any number of counterparts each of which shall be deemed an original and all of which together shall constitute a single instrument.

Section 10.2 Notices. All notices, claims and other communications hereunder shall be in writing and shall be deemed to be duly given if personally delivered or mailed first class, postage prepaid, as follows:
