WHEREAS, pursuant to Article 18-A of the Act, the Agency desires to adopt a resolution describing the Project and the Financial Assistance that the Agency is contemplating with respect to the Project.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and any other correspondence submitted by the Company to the Agency, public hearing comments, if any, Agency Policy Committee review and recommendations of the Project and its January 7, 2021 resolution to approve the project subject to the terms and conditions as described herein, and Agency board member review, discussion, and consideration of same, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and/or renovating and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing and/or retaining employment opportunities in Erie County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries, and, to the extent occupants are relocating from one plant or facility to another in another area of the State, the Agency has complied with the Intermunicipal Movement procedures as required in the Countywide Industrial Development Agency Uniform Tax Exemption Policy; and

(F) The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide Financial Assistance for the Project as described herein; and

(G) The Agency has prepared a written cost-benefit analysis identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any

tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

(H) The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions the Act; and

(I) The Project involves an "Unlisted Action" as said term is defined pursuant to 6 N.Y.C.R.R. Section 617.2(ak) of the SEQR regulations. The Agency has conducted an uncoordinated review of the Project pursuant to 6 N.Y.C.R.R. Section 617.6(b)(4)(i). Based upon a comprehensive and thorough review by the Agency of the EAF and related documents delivered by the Company to the Agency, the City of Buffalo Planning Board Negative Declaration, the criteria set forth in 6 N.Y.C.R.R. Section 617.7 of the SEQR regulations, and the additional representations made by the Company to the Agency in connection with the Project the Agency: (i) hereby finds that the Project constitutes an "Unlisted Action" within the meaning of SEQR and a coordinated review is optional; (ii) confirms that the Agency has conducted an uncoordinated review of the Project under SEQR; (iii) finds that the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (iv) finds that construction related impacts are short term and do not have a significant magnitude or effect; (v) determines that the Project will be constructed on land that is currently developed as a parking area and that is partially landscaped, such that the construction of the Project, being a new addition to an existing building, will not have any significant adverse environmental impacts on the land, finds that the Project does not require any air permitting and will not have a significant impact on air, finds that the Project will have no adverse impact on ground or surface water quality or quantity and any storm water treatment on site will be in accordance with Buffalo Sewer Authority requirements, finds that the Project is already serviced by public transportation and by adequate road capacity in an urban area so no impacts on transportation are anticipated, finds that the Project will not have a substantial change in noise levels as said use will be consistent with the existing commercial and industrial use of the adjacent area, that the lighting is code compliant, that the Project will not increase waste to be disposed of according to state and local regulations, that the Project will not impact flooding as it is not located within as 100-year floodplain, that the Project will not remove or destruct large quantities of vegetation or fauna, fish or wildlife and will not impact significant habitat areas or threatened or endangered species, that the Project is not located within or adjacent to a Critical Environmental Area, and is generally consistent with the community's current plans and goals, that the Project will not impact the character and quality of an historic resource and even though the existing building is "eligible" for listing on the National Register being adjacent to the Theatre District, the Project will not impact the character and quality of such historic resources because it will use materials similar to the existing building elements and will not visually impact the National Register listed buildings located adjacent to the Project, that there will be no impacts to archeological resources, there will be no increase in energy consumption such that impacts on energy will not be significant, that the Project will not create a hazard to human health nor attract a large number of people to it, and that the Project does not involve changes in two or more elements of the environment, no one of which has a significant adverse impact on the environment, but when considered together results in a substantial adverse impact, and as such, the Project will not have a "significant effect on the environment" as such quoted term is

defined in SEQR; and (vi) no "environmental impact statement" as such quoted term is defined in SEQR, need be prepared for this action. The Agency thus issues a "negative declaration" as that term is defined pursuant 6 N.Y.C.R.R. Section 617.2(y); and

(J) The Project qualifies for Agency Financial Assistance as it meets the Agency's evaluative criteria for manufacturing, warehouse, distribution projects, said criteria established by the Agency as required under General Municipal Law Section 859-a(5) as evidenced by the following:

(i) *Wage Rate (above median wage for area):* Erie County median worker income: \$33,350. Company estimated average salary of jobs to be retained: \$65,000. Company estimated average salary of jobs to be created: \$45,000.

(ii) *Regional Wealth Creation (% sales/customers outside area):* Sales outside NYS and within U.S.: 63% and international 32%.

(iv) *Research and Development Activities:* 20%

(v) *Investment in Energy Efficiency:* Energy efficiency is planned with radiant heating and high efficiency lighting and air compressors.

(x) *Workforce Access-Proximity to Public Transportation:* The facility is accessible by Metro Rail as well as the 3 and 5 bus routes.

Section 2. The Agency hereby authorizes the undertaking of the Project and the provision of the Financial Assistance to the Company as described herein.

Section 3. Subject to the Company executing an Agent Agreement and the delivery to the Agency of a binder, certificate or other evidence of insurance for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, construct and/or renovate and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in

whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the appointment of the Company as agent of the Agency, if utilized, shall expire one year from the date of this resolution (unless extended for good cause by the Chair, the Vice Chair, the President/Chief Executive Officer, the Vice President, the Chief Financial Officer/Treasurer, and/or the Assistant Treasurer).

Financial Assistance; (v) the New York State and local sales and use tax exemption benefits and/or mortgage recording tax exemption benefits, and/or the partial abatement from real property taxes benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with the Investment Commitment, the Employment Commitment, and/or the Local Labor Commitment, said commitments, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project; and/or (vi) the New York State and local sales and use tax exemption benefits, and/or mortgage recording tax exemption benefits, and/or the partial abatement from real property taxes benefits are taken in cases where the Company fails to comply with the Equal Pay Commitment and/or the Unpaid Real Property Tax Policy Commitment, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project.
