**WHEREAS**, pursuant to Article 18-A of the Act, the Agency desires to adopt a resolution describing the Project and the Financial Assistance that the Agency is contemplating with respect to the Project.

**NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:**

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and any other correspondence submitted by the Company to the Agency, public hearing comments, if any, Agency Policy Committee review of and recommendations related to the Project and its February 22, 2023 resolution to approve the Project subject to the terms and conditions as described herein, the Policy Committee and Agency board member review of the Project's cost benefit ratio, the costs of incentives so applied for, the anticipated new tax revenues to be generated by the Project, as well as the Project's contemplated community benefits, and Agency board member review, discussion, and consideration of same, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and/or renovating and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing and/or retaining employment opportunities in Erie County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries, and, to the extent occupants are relocating from one plant or facility to another in another area of the State, the Agency has complied with the Intermunicipal Movement procedures as required in the Countywide Industrial Development Agency Uniform Tax Exemption Policy; and

(F) The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide Financial Assistance for the Project as described herein; and

(G) The Agency has prepared a written cost-benefit analysis satisfactorily identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

(H) The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions the Act.

(I) The Project involves an “Unlisted Action” as said term is defined pursuant to 6 N.Y.C.R.R. Section 617.2(al) of the SEQR regulations. The Agency has conducted an uncoordinated review of the Project pursuant to 6 N.Y.C.R.R. Section 617.6(b)(4)(i). Based upon a comprehensive and thorough review by the Agency of the EAF and related documents delivered by the Company to the Agency, the City of Buffalo Negative Declaration, the criteria set forth in 6 N.Y.C.R.R. Section 617.7 of the SEQR regulations, the Agency hereby finds that the Project will not have any significant impacts on land, will not require an air permit, will not impact ground or surface water quality or quantity and any stormwater treatment will be undertaken in accordance with City of Buffalo Sewer Authority requirements, existing traffic levels and roadway/intersection use will not be impacted as existing capacity is adequate to accommodate the contemplated use, the Project will not have a change on noise levels, solid waste production will not substantially increase, and lighting will be undertaken in a manner inconsistent with the City of Buffalo code, there will be no flooding impacts, flora and fauna will not be adversely impacted and there will be no adverse impacts to natural resources or critical environmental areas, the Project is consistent with the community’s plans and goals and the existing community character, the Project will not impact historic resource or archeological resources, no significant energy consumption increases will result from the Project, the Project will not create any human health hazards or adversely impact aesthetic resources, the Project will not attract a large number of people to the site, the Project will not involve changes in two or more elements of the environment no one of which has a significant adverse impact on the environment but when considered together results in a substantial adverse impact on the environment, and the Project does not include two or more related actions undertaken by the Agency none of which has or would have a significant impact but when considered cumulatively would rise to the significant impact level and based on the foraging the Agency determines that the Project will not have a potential significant adverse environmental impact warranting the preparation of an environmental impact statement. The Agency determines that all of the provisions of SEQR that are required to be complied with as a condition precedent to the approval of the Financial Assistance contemplated by the Agency with respect to the Project, and the participation by the Agency in undertaking the Project, have been satisfied. This determination constitutes a “Negative Declaration” (as such quoted terms are defined under SEQR) for purposes of SEQR.

(J) The Project qualifies for Agency Financial Assistance as it meets the Agency’s evaluative criteria established by the Agency as required under General Municipal Law Section 859-a(5), as evidenced by the following:

- (i) *Wage Rate (above median wage for area):* Average salaries = retained FT = \$47,342 and to be created FT = \$42,625.
- (ii) *Regional Wealth Creation (% sales/customers outside area):* 70% of sales are outside NYS (2% in Canada). 5% of company sales are in Erie County, NY. The remaining 25% are outside Erie County but in NYS.

B. Terms and Conditions of Financial Assistance. Pursuant to Section 875(3) of the New York General Municipal Law, and per the policies of the Agency, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any New York State and local sales and use tax exemption benefits, and/or mortgage recording tax exemption benefits, and/or partial abatements from real property taxes benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the New York State and local sales and use tax exemption benefits; (ii) the New York State and local sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the New York State and local sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; (iv) the Company has made a material false statement on its application for Financial Assistance; (v) the New York State and local sales and use tax exemption benefits and/or mortgage recording tax exemption benefits, and/or the partial abatement from real property taxes benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with the Investment Commitment, the Employment Commitment, and/or the Local Labor Commitment, said commitments, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project; and/or (vi) the New York State and local sales and use tax exemption benefits, and/or mortgage recording tax exemption benefits, and/or the partial abatement from real

As a condition precedent of receiving Financial Assistance, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must cooperate with the Agency in its efforts to recover or recapture any Financial Assistance, and promptly pay over any such amounts to the Agency that the Agency demands.

C. Commitments. As an additional condition precedent of receiving Financial Assistance, and as a material term or condition as approved by the Agency in connection with the Project, the Company covenants and agrees and understands that it must, subject to potential modification, termination and/or recapture of Financial Assistance for failure to meet and maintain the commitments and thresholds as described below, submit, on an annual basis or as otherwise indicated below through the termination of the PILOT Agreement, a certification, as so required by the Agency, confirming:

To confirm and verify the Company’s employment numbers, the Agency requires that, at a minimum, the Company provide employment data to the Agency on a quarterly basis, said information to be provided on the Agency’s “Quarterly Employment Survey” form to be made available to the Company by the Agency.
