The Facility will be initially operated and/or managed by the Company; and

WHEREAS, pursuant to General Municipal Law Section 859-a, on April 11, 2023, at 9:00 a.m., at the Town of Tonawanda, Town Board Conference Room #20, located at 2919 Delaware Avenue, Kenmore, NY 14217, the Agency held a public hearing with respect to the Project and the proposed Financial Assistance (as hereinafter defined) being contemplated by the Agency (the “Public Hearing”) whereat interested parties were provided a reasonable opportunity, both orally and in writing, to present their views; and

WHEREAS, pursuant to Article 18-A of the Act, the Agency desires to adopt a resolution describing the Project and the Financial Assistance that the Agency is contemplating with respect to the Project.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company’s application and any other correspondence submitted by the Company to the Agency, public hearing comments, if any, Agency Policy Committee review of and recommendations related to the Project and its April 26, 2023 resolution to approve the Project subject to the terms and conditions as described herein, the Policy Committee and Agency board member review of the Project’s cost benefit ratio, the costs of incentives so applied for, the anticipated new tax revenues to be generated by the Project, as well as the Project’s contemplated community

benefits, and Agency board member review, discussion, and consideration of same, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and/or renovating and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing and/or retaining employment opportunities in Erie County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries, and, to the extent occupants are relocating from one plant or facility to another in another area of the State, the Agency has complied with the Intermunicipal Movement procedures as required in the Countywide Industrial Development Agency Uniform Tax Exemption Policy; and

(F) The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide Financial Assistance for the Project as described herein; and

(G) The Agency has prepared a written cost-benefit analysis satisfactorily identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

(H) The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions the Act.

(I) The Project involves a "Type II action" as said term is defined in SEQR and, therefore, no further action is required under SEQR; and

(J) The Project is compliant with the Countywide IDA Eligibility Policy, constitutes a commercial facility as defined in the General Municipal Law and will promote employment opportunities and prevent economic deterioration in the Town of Tonawanda. The Agency has reviewed the opinion of the State Comptroller (OSC Op. 85-51) and hereby specifically finds that the Project will create temporary construction jobs and approximately one full-time job and two part-time jobs by adaptively reusing a vacant, declining and aged structure and rehabilitating it for residential use, will be a physical and economic improvement to this sensitive area of the Town of Tonawanda: and

(K) The Project qualifies for Agency Financial Assistance as it meets the Agency's evaluative criteria established by the Agency as required under General Municipal Law Section 859-a(5), as evidenced by the following:

(i) *Age of Structure (must be at least 20 years old and present functional challenges to redevelopment):* The age of the structure is 121 years old. The applicant provided the NYS DEC Brownfield Clean UP Program application as evidence of challenges to redevelopment.

(ii) *Structure has been vacant or underutilized for a minimum of 3 years (defined as a minimum of 50% of the rentable square footage of the structure being utilized for a use for which the structure was not designed or intended). Project promotes the elimination of slum and blight:* Portions of the building have served as warehouse space for several of the family owned companies which occupy and own the complex while other areas of the building are vacant.

(iii) *Structure is not generating significant rental income (defined as 50% or less than the market rate income average for that property class):* No, insignificant rental income is being generated at the site.

(iv) *Project is in compliance with the investment and growth criteria of the Framework for Regional Growth. The redevelopment supports or aligns with Regional or Local Development Plans:* The plan is aligned with the local development plan for the Town of Tonawanda – 2015 Comprehensive Plan Update.

(v) *Demonstrated evidence of financial obstacle to development without ECIDA or other public assistance (cash flow projections, documenting costs, expenses and revenues indicating below average return on investment rate as compared to regional industry averages):* A review of cash flow projections indicate an average return on investment that is significantly below the 10% - 12% benchmark rate of return expected for projects in higher risk urban areas across the northeast. The project's internal rate of return (IRR) with ECIDA assistance is 4.2% and without ECIDA assistance is 3.4%.

(vi) *Demonstrated support of local government entities:* A letter of support from Town Supervisor Emminger notes the project's strongly alignment with the Town's 2015 Comprehensive Plan Update. The project includes the remediation of a Brownfield site and meets the need for 1 & 2 person apartments through the redevelopment of

existing sites. A second letter of support was received from Joseph Benedict, the Executive Director for the Construction Exchange. A third letter of support was received from the Plumbing & Mechanical Contractors Association of WNY supporting the Construction Trade Incubator aspect of the project.

(vii) *LEED/Renewable Resources:* Not Applicable.

(viii) *Building or site has historic designation:* Source of funds list both Federal & State Historic Tax Credits.

(ix) *Site or structure has delinquent property or other local taxes:* Not Applicable.

(x) *MBE/WBE Utilization:* MWBE utilization was presented to the Agency and is included in the Board package.

(xi) *Transit Oriented Development:* The site is accessible via the metro lines: Sheridan 35 and 5 Niagara/Kenmore.

Other Factors to Consider:

(xii) *Environmental/Safety Issues: Structure or site presents significant public safety hazard and/or environmental remediation costs:* This project has been accepted into the Brownfield Cleanup Program largely based off elevated arsenic exceeding its industrial use—likely related to historic wood piano key manufacturing.

(xiii) *Site or structure is located in a distressed census tract:* Location is census tract #84 that is an Empire Zone and adjacent to a highly distressed census tract.

Section 2. The Agency hereby authorizes the undertaking of the Project and the provision of the Financial Assistance to the Company as described herein.

Section 3. Subject to the Company executing an Agent Agreement and the delivery to the Agency of a binder, certificate or other evidence of insurance for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, construct and/or renovate and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the authority to appoint the Company to act as agent of the Agency, if said appointment is not duly made, as herein expressed, shall expire one year from the date of this resolution (unless extended for good cause by the Chair, the Vice Chair, the President/Chief Executive Officer, the Vice President, the Chief Financial Officer/Treasurer, and/or the Assistant Treasurer).

A. Financial Assistance. With respect to the foregoing, and based upon the representations and warranties made by the Company in its application for Financial Assistance, the Agency hereby:

(i) authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount estimated up to \$15,863,227, and, therefore, the value of the sales and use tax exemption benefits (“sales and use tax exemption benefits”) authorized and approved by the Agency cannot exceed \$1,388,032, however, the Agency may consider any requests by the Company for increases to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services; and

(ii) authorizes and approves that the value of the mortgage recording tax exemption benefit (“mortgage recording tax exemption benefits”) shall not exceed \$127,733; and

B. Terms and Conditions of Financial Assistance. Pursuant to Section 875(3) of the New York General Municipal Law, and per the policies of the Agency, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any New York State and local sales and use tax exemption benefits, and/or mortgage recording tax exemption benefits, taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the New York State and local sales and use tax exemption benefits; (ii) the New York State and local sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the New York State and local sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; (iv) the Company has made a material false statement on its application for Financial Assistance; (v) the New York State and local sales and use tax exemption benefits and/or mortgage recording tax exemption benefits, are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with the Investment Commitment, the Employment Commitment, and/or the Local Labor Commitment, said commitments, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project; and/or (vi) the New York State and local sales and use tax exemption benefits, and/or mortgage recording tax exemption benefits, are taken in cases where the Company fails to comply with the Equal Pay Commitment and/or the Unpaid Real Property Tax Policy Commitment, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project.

As a condition precedent of receiving Financial Assistance, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of

the Project, must cooperate with the Agency in its efforts to recover or recapture any Financial Assistance, and promptly pay over any such amounts to the Agency that the Agency demands.

C. Commitments. As an additional condition precedent of receiving Financial Assistance, and as a material term or condition as approved by the Agency in connection with the Project, the Company covenants and agrees and understands that it must, subject to potential modification, termination and/or recapture of Financial Assistance for failure to meet and maintain the commitments and thresholds as described below, submit, on an annual basis or as otherwise indicated below through the conclusion of the later of two (2) years following either (i) the construction completion date, or (ii) the termination of the Agent Agreement, a certification, as so required by the Agency, confirming:

- (i) Investment Commitment- the total investment actually made with respect to the Project at the time of Project completion equals or exceeds \$19,658,492 (which represents the product of 85% multiplied by \$23,127,638, being the total project cost as stated in the Company’s application for Financial Assistance).
- (ii) Employment Commitment – that there are at least 1 FTE existing full time equivalent (“FTE”) and 2 PTE existing part time equivalent (“PTE”) employees located at, or to be located at, the Facility as stated in the Company’s application for Financial Assistance (the “Baseline FTE”); and
 - the number of current FTE employees in the then current year at the Facility; and
 - that within two (2) years of Project completion, the Company has maintained and created FTE employment at the Facility equal to 1 FTE employees. In an effort to confirm and verify the Company’s employment numbers, the Agency requires that, at a minimum, the Company provide employment data to the Agency on a quarterly basis, said information to be provided on the Agency’s “Quarterly Employment Survey” form to be made available to the Company by the Agency.
- (iii) Local Labor Commitment - that the Company adheres to and complies with the Agency’s Local Labor Workforce Certification Policy on a quarterly basis during the construction period.
