WHEREAS, the Agency requires, as a condition and as an inducement for it to provide said Financial Assistance, that the Company provides assurances with respect to the recapture of said Financial Assistance on the terms herein set forth; and

WHEREAS, this Agreement sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; and

WHEREAS, no agent status in favor of the Company or any subagent thereof, nor any amount of Financial Assistance shall be provided to the Company by the Agency prior to the effective date of this Agent Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

1. Purpose of Project and Scope of Agency. The purpose of the Agency’s provision of Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Project to advance job opportunities, health, general prosperity and economic welfare of the people of Erie County, and to specifically promote the investment commitment, employment commitment, local labor commitment, equal pay commitment, and the unpaid real property tax policy commitment all as contained herein and within the Company’s Application.

Pursuant to the Resolution, the Agency has appointed the Company as agent to undertake the Project, as defined herein and within the Resolution. The Company hereby agrees to limit its activities as agent for the Agency under the authority of the Resolution to acts reasonably related to the acquisition and installation of certain machinery, equipment and building materials, all for incorporation and installation thereof in and around the Facility. Pursuant to the Resolution and this Agent Agreement, the Company has the power to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses including but not limited to the individuals and entities described on Schedule A attached hereto (collectively, the “Subagent”). The Company shall have the right to amend Schedule A from time to time and shall be responsible for maintaining an accurate list of all parties acting as agent for the Agency. The Company’s right to appoint subagents is expressly conditioned upon updating of Schedule A, hereto, along with the timely filing of Form ST-60 (non-primary) for each subagent, with such updated Schedule A and a copy of and proof of filing of such ST-60 (non-primary) being immediately filed with the Agency. The right of the Company and all duly appointed subagents to act as agent of the Agency shall expire on **March 31, 2019**, unless extended as contemplated by the Resolution. The aggregate amount of work performed by the Company and all subagents as agent for the Agency shall not exceed the amounts identified in the Resolution and Section 2(h) of this Agreement.

All contracts entered into by the Company and all subagents thereof as agent for the Agency shall include the language contained within Schedule B, hereto. Failure by the Company and/or any subagent thereof to include such language shall disqualify the agent status and sales tax exemptions derived by virtue of this Agent Agreement. The Company, for itself and on behalf of all duly appointed subagents, hereby agrees that all contracts entered into by the Company and any subagents thereof shall be available to the Agency for inspection and confirmation of the foregoing mandatory language.

2. Representations and Covenants of the Company. The Company makes the following representations and covenants in order to induce the Agency to proceed with the Project/Facility:

(a) The Company is a limited liability company duly organized, validly existing and in good standing under the laws of the State of New York, has the authority to enter into this Agent Agreement, and has duly authorized the execution and delivery of this Agent Agreement.

(b) Neither the execution and delivery of this Agent Agreement, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of this Agent Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any such instrument or agreement.

(c) The Facility and the operation thereof will conform with all applicable zoning, planning, and building laws and regulations of governmental authorities having jurisdiction over the Facility, and the Company shall defend, indemnify and hold the Agency harmless from any liability or expenses resulting from any failure by the Company to comply with the provisions of this subsection (c).

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact on the Company's ability to fulfill its obligations under this Agent Agreement.

(e) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations, and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) that the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated, or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section shall immediately notify the Agency in

writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors, and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties, and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Agency upon demand.

(f) Any personal property acquired by the Company in the name of the Agency shall be located in the City of Buffalo, except for temporary periods during ordinary use.

(g) In accordance with Section 874 and 875 of the New York General Municipal Law, the policies of the Agency, and the Resolution, the Company covenants and agrees that it may be subject to a Recapture Event Determination (as hereinafter defined) resulting in the potential modification, recapture and/or termination of any and all Financial Assistance, as described herein, if the Company receives, or any duly appointed subagents receives any Financial Assistance from the Agency, and it is determined by the Agency, or Agency staff, as appropriate, that:

(1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(2) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its Subagents, if any; or

(3) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(4) the Company has made a material false or misleading statement, or omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance; or

(5) the Company fails to meet and maintain the thresholds and requirements representing certain material terms and conditions required by the Agency to be complied with and adhered to, as evidenced by submission, as so required by the Agency, of written confirmation certifying and confirming on an annual basis beginning in the first year in which Financial Assistance is so claimed, through the termination of the PILOT Agreement (said time period so referenced being hereinafter defined as the "Material Terms and Conditions Monitoring Period") confirming:

(a) Investment Commitment – that the total investment actually made with respect to the Project at the Project's construction completion date equals or exceeds \$49,357,729.00 (which represents the product of 85% multiplied by

\$58,067,917.00 being the total project cost as stated in the Company's application for Financial Assistance); and

(b) Employment Commitment – that within two (2) years following Project completion, the Company has maintained and created full time equivalent (“FTE”) employment at the Facility equal to seven (7) FTE employees (representing the product of 85% multiplied by eight (8) (being the total number of new FTE employee positions as proposed to be created by the Company as stated in the Company's application for Financial Assistance). In an effort to confirm and verify the Company's employment numbers, the Agency requires that, at a minimum, the Company provide employment data to the Agency on a quarterly basis, said information to be provided on the Agency's “Quarterly Employment Survey” form to be made available to the Company by the Agency; and

In order to certify and verify the foregoing the Company shall provide to the Agency, a certified statement and documentation: (i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the Financial Assistance, by category, including full time equivalent independent contractors or employees of independent contractors that work at the project location, and (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. Exhibit F contains the form of annual certification as so required.

(c) Local Labor Commitment – that the Company adheres to and undertakes or has undertaken construction activities in compliance with the Agency's Local Labor Workforce Certification Policy and Local Labor Reporting Requirements on a quarterly reporting basis during the construction period (Exhibit D); and

(d) Equal Pay Commitment – that the Company adheres to and undertakes or has undertaken activities in compliance with the Agency's Pay Equity Policy; and

(e) Unpaid Real Property Tax Policy Commitment – that the Company is compliant with the Agency's Unpaid Real Property Tax Policy.

The findings made by the Agency, or Agency staff, as appropriate, with respect to Section 2(g)(1), (2), (3) and/or (4) and/or failure to provide the written confirmation as required by Section 2(g)(5) with respect to the thresholds and requirements as identified in Section 2(g)(5), above, and/or failure to meet the thresholds and requirements as identified in Section 2(g)(5) above, may potentially be determined by the Agency, in accordance with the Agency's “Policy for Termination and/or Modification of Agency Financial Assistance and Recapture of Agency Financial Assistance Previously Granted”, or by Agency Staff, as

appropriate, to constitute a failure to comply with Section 875(3) of the New York General Municipal Law, and/or a failure to comply with a material term or condition to use property or services or Agency Financial Assistance in the manner approved by the Agency in connection with the Project, and/or a failure to comply with the Agency's policies and Resolution (collectively, findings and determinations made as described herein with respect to Section 2(g)(1), (2), (3) and/or (4) and/or the failure under Section 2(g)(5) to submit the required certification and/or the failure to meet the required thresholds and requirements as specified in Section 2(g)(5) are hereby defined as a "Recapture Event Determination"). If the Agency makes a Recapture Event Determination, or notwithstanding anything contained herein to the contrary, Agency staff makes a finding with respect to Section 2(g)(1), (2), or (3) above, and/or Agency staff determines that the Company has closed the Project or has failed to operate the Project as contemplated by the Application and the Resolution, then the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any and all Financial Assistance obtained by the Company and (ii) promptly pay over any such amounts to the Agency that the Agency demands in connection therewith. The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner and/or Erie County Comptroller may assess and determine the Financial Assistance due from the Company, together with any relevant penalties and interest due on such amounts.

(h) In accordance with the Resolution, the Application, and the cost-benefit analysis, the Company further: (i) covenants that the purchase of goods and services relating to the Project and subject to New York State and local sales and use taxes shall be in an amount estimated up to \$26,472,639.00, and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency, subject to Section 2(g) of this Agent Agreement, cannot exceed \$2,316,356.00; (ii) confirms that the mortgage recording tax exemption amount shall not exceed \$250,000.00; and (iii) confirms that real property tax abatement benefits to be provided to the Company over the term of the PILOT Agreement, said PILOT Agreement attached hereto as Exhibit G if executed or to be attached hereto as Exhibit G immediately upon its execution, are estimated to be approximately \$2,482,000.00.

(i) The Company acknowledges and understands that a Recapture Event Determination made with respect to Section 2(g)(4) of this Agent Agreement will, in addition, immediately result in the loss and forfeiture of the Company's right and ability to obtain any and all future Financial Assistance with respect to the Project.

(j) The Company further covenants and agrees to complete "IDA Appointment of Project Operator or Agent For Sales Tax Purposes" (NYS Form ST-60), in the form attached hereto as Exhibit A, for each Subagent, if any, and such other parties as the Company chooses who provide materials, equipment, supplies or services and forward said form to the State Department of Taxation and Finance within thirty (30) days of appointment.

(k) The Company acknowledges and agrees that all purchases made in furtherance of the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate" (NYS Form ST-123, a copy of which is attached hereto as Exhibits B-1 and B-2), and it shall be the responsibility of the Company (and not the Agency) to complete NYS Form ST-123. The Company acknowledges and agrees that it shall identify the Project on each bill and invoice for

such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill or invoice should state, "I, [NAME OF COMPANY OR SUBAGENT], certify that I am a duly appointed agent of the ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY and that I am purchasing the tangible personal property or services for use in the 683 NORTHLAND LLC Project located at 683 Northland Avenue, Buffalo, New York 14215, IDA Project Number "1404-17-16A". For convenience purposes, in the instance where the vendor does not print on each invoice the acknowledgment as described in the prior sentence, an "Invoice Rider" (a copy of which is attached hereto as Exhibit B-3) can be utilized for record keeping purposes.

(l) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340, a copy of which is attached hereto as Exhibit C) regarding the value of sales and use tax exemptions the Company and its Subagents, if any, have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with General Municipal Law Section 874(8). The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of same to the Agency; provided, however, in no event later than February 15th of each year. The Company understands and agrees that the failure to file such annual statement will result in the removal of the Company's authority to act as agent for the Agency.

(m) The Company further covenants and agrees to submit to the Agency a Local Labor Utilization Report, which is attached hereto as Exhibit D, on a quarterly basis within ten (10) business days of each quarter end during the construction period. This report represents verification that the Company and its Subagents, if any, adheres to and undertakes or has undertaken construction activities in compliance with the Agency's Local Labor Workforce Certification Policy and Local Labor Reporting Requirements.

(n) The Company acknowledges and agrees that, except to the extent of bond proceeds (to the extent bonds are issued by the Agency with respect to the Project), the Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

(o) The Company covenants and agrees that at all times during the Material Terms and Conditions Monitoring Period, it will (i) maintain its existence, continue to operate the Project as contemplated by the Application and the Resolution and not dissolve, (ii) continue to be a limited liability company subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business in the State, (iii) not liquidate, wind-up or dissolve or otherwise sell, assign, or dispose of all or substantially all of its property, business or assets except this Agreement may be assigned to a Related Person of the Company (as that term is defined in subparagraph (C) of paragraph three of subsection (b) of section four hundred sixty-five of the Internal Revenue Code of 1986, as amended, hereinafter "Related Person") without the receipt of the Agency's prior written consent and provided such assignee/successor entity shall reaffirm the Company's obligation's hereunder, and (iv) not consolidate with or merge into another entity or

permit one or more entities to consolidate with or merge into it except upon receipt of the Agency's prior written consent and unless such merged or combined entity shall reaffirm the Company's obligation's hereunder. Granting or withholding of the Agency's consent shall be in the sole discretion of the Agency. A transfer in excess of 50% of the equity voting interests of the Company, other than to a Related Person of the Company, shall be deemed an assignment and require the prior written consent of the Agency.

(p) The Company confirms and acknowledges under the penalty of perjury that as of the date hereof, the Company, as owner, occupant, or operator of the Project receiving Financial Assistance from the Agency in connection with the Project, is in substantial compliance with all applicable local, state and federal tax, worker protection and environmental laws, rules and regulations. The Company further agrees that it will, throughout the term of this Agent Agreement, promptly comply in all material respects with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements of all federal, state, county, municipal and other governments, departments, commissions, boards, companies or associations insuring the premises, courts, authorities, officials and officers, foreseen or unforeseen, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof, or to any use, manner of use or condition of the Facility or any part thereof. Notwithstanding the foregoing, the Company may in good faith contest the validity of the applicability of any requirement of the nature referred to this Section 2(p). In such event, the Company, with the prior written consent of the Agency (which shall not be unreasonably conditioned, delayed or withheld) may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency shall notify the Company that it must comply with such requirement or requirements.

3. Hold Harmless Provision. The Company hereby releases the Agency from, agrees that the Agency shall not be liable for, and agrees to indemnify, defend and hold the Agency and its directors, members, officers, employees, agents (except the Company), representatives, successors and assigns harmless from and against, any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence on, in or about the Facility or breach by the Company of this Agent Agreement or (ii) liability arising from or expense incurred by the Agency's financing, acquiring, constructing, rehabilitating, renovating, equipping, owning and leasing of the Equipment or of the Facility, including without limiting the generality of the foregoing, all causes of action and reasonable attorneys' fees and any other expenses incurred in defending any suits or actions which may arise as a result of any of the foregoing. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its respective directors, members, officers, employees, agents (except the Company), representatives, successors and assigns and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability, except that such indemnities will not be applicable with respect to willful misconduct on the part of the Agency or any other person or entity to be indemnified. In the event of any claim against the Agency or its directors, members, officers, employees, agents (except the Company), representatives, successors and assigns by any employee of the Company or any contractor of the Company or anyone directly

or indirectly employed by any of them or any one for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Company or such contractor under Worker's Compensation acts, disability benefits or other employee benefit acts. Any other provisions of this Agent Agreement to the contrary notwithstanding, the obligations of the Company shall remain in full force and effect after the termination of this Agent Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses and charges incurred by the Agency, or its directors, members, officers, employees, agents (except the Company), representatives, successors and assigns relating thereto.
