WHEREAS, pursuant to Article 18-A of the Act, the Agency desires to adopt a resolution describing the Project and the Financial Assistance that the Agency is contemplating with respect to the Project.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company’s application and any other correspondence submitted by the Company to the Agency, public hearing comments, if any, Agency Policy Committee review and recommendations of the Project and its June 1, 2017 resolution to approve the project subject to the terms and conditions as described herein, and Agency board member review, discussion, and consideration of same, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and/or renovating and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing and/or retaining employment opportunities in Erie County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries, and, to the extent occupants are relocating from one plant or facility to another in another area of the State, the Agency has complied with the Intermunicipal Movement procedures as required in the Countywide Industrial Development Agency Uniform Tax Exemption Policy; and

(F) The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide Financial Assistance for the Project as described herein; and

(G) The Agency has prepared a written cost-benefit analysis identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

(H) The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions the Act.

(I) The Agency hereby approves the subleasing of space in the Project and authorizes the Company to proceed with the Project as herein authorized; and

(J) The Project qualifies for Agency Financial Assistance as it is compliant with the Agency's Adaptive Reuse Project Policy as evidenced by the following:

(i) the building is approximately 181 years old and functional issues related to its age present challenges to its reuse; and

(ii) the building has been vacant for at least the past 12 years; and

(iii) the building is not generating any rental income; and

(iv) the Project is in compliance with the investment and growth criteria of the Framework for Regional Growth; and

(v) the Applicant has demonstrated evidence of financial obstacles to development of the Project without Agency or other public assistance; and

(vi) the Project has received the support of local governmental entities; and

(vii) the building is located within a distressed census tract; and

(viii) the structure requires significant costs to comply with building codes.

(K) Based upon a thorough and complete review of the Application and its accompanying materials and information, the Environmental Assessment Form submitted by the Company, and the proceedings conducted by the Agency and the Planning Board, to date, pursuant to SEQR, the Agency hereby:

(i) consents to and affirms the status of the Project as a Type 1 Project and confirms its status as "Lead Agency" within the meaning of and for all purposes of complying with SEQR;

(ii) reviews, considers, ratifies, and adopts such proceedings by the Planning Board, including the "Negative Declaration"; and

(iii) determines that the Project will not have a significant impact as (a) it is a rehabilitation of an existing structure, (b) redevelopment will not impact air quality as it will not require an air permit; (c) redevelopment will not increase the amount of pervious surfaces at the site related to surface or groundwater; (d) the project is in a commercial area and is accessible to existing public transportation, therefore, will not have a significant adverse impact on traffic levels as the Project is in keeping with the urban character of the area, (e) the Project will have additional noise attenuation features installed to mitigate any concerns about a change in noise levels, (f) will not substantially increase solid waste production or result in the removal or destruction of vegetation or fauna or adversely impact significant fish or wildlife species habit areas or threatened or endangered species of animal or plants, and is not within or adjacent to a Critical Environmental Area, (g) that the Project is consistent with the community's current plans and goals and will not impact the character or quality of important historical, archeological, architectural, or aesthetic resources of the community, (h) that the Project will not encourage a large number of people to a place for more than a few days, (i) that the Project will have a have a minor increase in the quantity or type of energy used as the former use was office and warehousing, that the Project will not create a hazard to human health or change in the use or intensity of use of land (including agricultural, open space or recreational resources), and (j) the Project will not involve changes in two or more elements of the environment when considered together or cumulatively and will not result in a substantial adverse impact on the environment and results in no major impacts and, therefore, is one which will not cause significant damage to the environment and will not have a "significant effect on the environment" as such quoted terms are defined in SEQR, and that no "environmental impact statement" as such quoted term is defined in SEQR need be prepared for this action; and

(iv) determines that all of the provisions of SEQR that are required to be complied with as a condition precedent to the approval of the Financial Assistance contemplated by the Agency with respect to the Project, and the participation by the Agency in undertaking the Project, have been satisfied. This determination constitutes a "negative declaration" (as such quoted term is defined under SEQR) for purposes of SEQR.

(L) The Project is located within a "highly distressed area" as such term is defined in Section 854(18) of the Act and therefore qualifies for Financial Assistance under Section 862(2)(b)(ii) of the Act. The Agency hereby finds that, as required under Section 862(2)(c) of

the Act, that the undertaking of the Project will serve the public purpose of the Act by preserving permanent, private sector jobs or increasing the overall number of permanent, private sector jobs in New York State. In compliance with Section 862(2)(c) of the Act, prior to providing Financial Assistance to the project, the Chief Executive Officer of the County of Erie shall provide written confirmation confirming that the Project will serve the public purpose of the Act by preserving permanent private sector jobs or increasing the overall number of permanent, private sector jobs in the State of New York.

Section 2. The Agency hereby authorizes the undertaking of the Project and the provision of the Financial Assistance to the Company as described herein.

Section 3. Subject to the Company executing an Agent Agreement and the delivery to the Agency of a binder, certificate or other evidence of insurance for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, construct and/or renovate and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the appointment of the Company as agent of the Agency, if utilized, shall expire one year from the date of this resolution (unless extended for good cause by the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer, and/or the Assistant Treasurer).

With respect to the foregoing, and based upon the representations and warranties made by the Company in its application for Financial Assistance, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an estimated amount up to \$3,950,000.00, which may result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed \$345,625.00. The Agency may consider any requests by the Company for increases to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Pursuant to Section 875(3) of the New York General Municipal Law, and per the policies of the Agency, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any New York State and local sales and use tax exemption benefits and/or mortgage recording tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the New York State and local sales and use tax exemption benefits; (ii) the New York State and local sales and use

tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the New York State and local sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; (iv) the Company has made a material false statement on its application for Financial Assistance; (v) the New York State and local sales and use tax exemption benefits and/or mortgage recording tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with the Investment Commitment, the Employment Commitment, and/or the Local Labor Commitment, said commitments, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project; and/or (vi) the New York State and local sales and use tax exemption benefits, and/or mortgage recording tax exemption benefits are taken in cases where the Company fails to comply with the Equal Pay Commitment and/or the Unpaid Real Property Tax Policy Commitment, as described below, being a material term or condition to use property or services in the manner approved by the Agency in connection with the Project.

As a condition precedent of receiving Financial Assistance, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any Financial Assistance, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

As an additional condition precedent of receiving Financial Assistance, and as a material term or condition as approved by the Agency in connection with the Project, the Company covenants and agrees and understands that it must, subject to potential modification, termination and/or recapture of Financial Assistance for failure to meet and maintain the commitments and thresholds as described below, submit, on an annual basis or as otherwise indicated below through the conclusion of the later of two (2) years following either (i) the construction completion date, or (ii) the termination of the Agent Agreement, a certification, as so required by the Agency, confirming:

- (i) Investment Commitment – the total investment actually made with respect to the Project at the time of Project completion equals or exceeds \$9,159,290.00 (which represents the product of 85% multiplied by \$10,775,636.00, being the total project cost as stated in the Company’s application for Financial Assistance).
- (ii) Employment Commitment – that there are at least three (3) existing full time equivalent (“FTE”) employees located at, or to be located at, the Facility as stated in the Company’s application for Financial Assistance (the “Baseline FTE”); and
 - the number of current FTE employees in the then current year at the Facility; and
 - that the Company has maintained and created FTE employment at the Facility equal to four (4) FTE employees [representing the sum of the Baseline FTE plus one (1) (being the total number of new FTE employee positions as

proposed to be created by the Company as stated in the Company's application for Financial Assistance)]. In an effort to confirm and verify the Company's employment numbers, the Agency requires that, at a minimum, the Company provide employment data to the Agency on a quarterly basis, said information to be provided on the Agency's "Quarterly Employment Survey" form to be made available to the Company by the Agency.

- (iii) Local Labor Commitment – that the Company adheres to and complies with the Agency's Local Labor Workforce Certification Policy on a quarterly basis during the construction period.
- (iv) Equal Pay Commitment – that the Company adheres to and complies with the Agency's Pay Equity Policy.
- (v) Unpaid Real Property Tax Policy Commitment – that the Company is compliant with the Agency's Unpaid Real Property Tax Policy.

Section 6. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to negotiate, execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 7. The provision by the Agency of Financial Assistance with respect to the Project as described herein is subject to the execution and delivery of the Agency's Administrative Fee Agreement (the "Fee Agreement") and payment by the Company of an administrative fee calculated in accordance with the Fee Agreement, all within sixty (60) days of the date of this resolution. In the event the Agency has not received the executed Fee Agreement and the appropriate fee within such sixty (60) day period, this resolution shall become automatically null and void and of no further effect and the Agency shall have no liability to the Company hereunder or otherwise, unless extended in the discretion of the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer, or the Assistant Treasurer for good cause shown.

Section 8. This resolution shall take effect immediately, and shall expire one (1) year from the date hereof unless extended for good cause by the Chair, the Vice Chair, the President/Chief Executive Officer, the Executive Vice President, the Chief Financial Officer/Treasurer, or the Assistant Treasurer.
