The Erie County Industrial Development Agency is a public benefit corporation sanctioned by the State of New York to offer tax incentives to qualified businesses, and is dedicated to furthering economic development, adaptive reuse of qualified properties, job creation and ensuring a thriving business environment in Erie County. The staff of the ECIDA are not employees of the City of Buffalo, the County of Erie, or the State of New York. The ECIDA does not receive operating funds from taxpayer revenues. The ECIDA receives its operating funds by collecting fees from businesses that enter into contracts with the Agency, from investments, and from loan fees.
